

Bootstrap Mocks

 [bootstrap-mocks-exercise-starter.zip](#) 431.1KB

For this assignment you should **only** use Twitter Bootstrap, Font Awesome, and [Lorem Pixel](#) for placeholder images.

Do not write any custom CSS.

Step One

Write the necessary code to **make your page look just like this one:**

Welcome to our website!
Look at this button! Wow, let's click on it!

[Learn more](#)

Let's look at some random pictures! from <http://lorempixel.com>

Lorem ipsum dolor sit amet, consectetur adipisicing elit. Fuga repellat, quo, qui illum voluptatibus esse corporis aut quia deserunt voluptatem, consequatur. Voluptatum repellendus, recusandae aliquid nemo perspiciatis debitis, beatae minus.

Lorem ipsum dolor sit amet, consectetur adipisicing elit. Fuga repellat, quo, qui illum voluptatibus esse corporis aut quia deserunt voluptatem, consequatur. Voluptatum repellendus, recusandae aliquid nemo perspiciatis debitis, beatae minus.

Lorem ipsum dolor sit amet, consectetur adipisicing elit. Fuga repellat, quo, qui illum voluptatibus esse corporis aut quia deserunt voluptatem, consequatur. Voluptatum repellendus, recusandae aliquid nemo perspiciatis debitis, beatae minus.

Thanks for Visiting!

Step Two

Write the necessary HTML to make your page look just like this one:

Dashboard:

Name	Team	All Star	Remove
Steph	Warriors	Yes	
Lebron	Cavalliers	Yes	
Dwayne	Heat	Yes	
Kobe	Lakers	Yes Last	
Isaiah	Celtics	Yes First
